

# End of Summer Exhibition

Art at Waunifor celebrates its twelfth year of promoting the latest work by thirty-eight talented artists from around our locality in West Wales. Entry to the exhibition is free.

Our aim is to display a wide diversity of forms, media, styles and techniques that are involved in creating interesting and beautiful art. The work will include painting, mixed media, printmaking, ceramics, fused glass, textiles, batik, hand felting, sculptures, handmade paper, papier maché, photography, handmade books, assemblage and an eclectic mix of 'art crafts'.

During the week, Waunifor is presenting an exciting series of talks, demonstrations and workshops, details of which are on the reverse side of this leaflet and on the website.
